

OneAnswer KiwiSaver Scheme

Australasian Share Fund

What is the purpose of this statement?

This statement provides key information about the OneAnswer KiwiSaver Scheme Australasian Share Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Australasian Share Fund invests mainly in an actively managed portfolio of New Zealand and Australian share assets. It may also invest in cash assets. The objectives of the Australasian Share Fund are to:

- Provide investors with the opportunity to build wealth by investing in a portfolio of New Zealand and Australian equity securities; and
- Outperform the S&P/NZX50 Total Return Index (with imputation credits re-invested).

How has the fund performed in the past?

This shows the return after fund fees and tax for each tax year since the fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

What fees were members charged?

The returns above are after deductions for **fund fees**². Over the past year these were:

| | % of members' investments |
|------------------------------|---------------------------|
| Total fund fees | 1.06% |
| <i>Which are made up of:</i> | |
| Annual management fee | 1.00% |
| Performance-based fees | 0.00% |
