

OneAnswer KiwiSaver Scheme

Australasian Property Fund

What is the purpose of this statement?

This statement provides key information about the OneAnswer KiwiSaver Scheme Australasian Property Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Australasian Property Fund invests mainly in an actively managed portfolio of New Zealand and Australian property assets. It may also invest in cash assets. The objectives of the Australasian Property Fund are to:

- Generate competitive returns by investing directly or indirectly in a diversified portfolio of Australasian property assets; and
- Outperform the NZX Property Gross Index (with imputation credits re-invested).
