

## OneAnswer KiwiSaver Scheme

### International Property Fund

#### What is the purpose of this statement?

This statement provides key information about the OneAnswer KiwiSaver Scheme International Property Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

#### Description of the fund

The International Property Fund invests mainly in an actively managed portfolio of international property assets. It may also invest in cash assets. The objectives of the International Property Fund are to:

- Generate competitive returns by investing directly or indirectly in a diversified portfolio of international property assets; and
- Outperform the UBS Global Property Total Return Index (ex NZ and Australia) (100% hedged to the New Zealand Dollar).

|                               |                |
|-------------------------------|----------------|
| Total value of the fund (\$)  | 8,455,657      |
| Number of members in the fund | 863            |
| Date the fund started         | 1 October 2007 |

#### How has the fund performed?

|  | Past five years | Past year |
|--|-----------------|-----------|
| <b>Annual return</b><br>(after deductions for fund fees and tax <sup>1</sup> ) | 10.50%          | 2.89%     |

#### How has the fund performed in the past?

This shows the return after fund fees and tax for each tax year since the fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

#### What fees were members charged?

The returns above are after deductions for **fund fees**<sup>2</sup>. Over the past year these were:

|                              | % of members' investments |
|------------------------------|---------------------------|
| <b>Total fund fees</b>       | 1.10%                     |
| <i>Which are made up of:</i> |                           |
| Annual management fee        | 1.00%                     |
| Performance-based fees       | 0.00%                     |
| Other fees and costs         | 0.10%                     |

Members were also charged **membership fees**<sup>3</sup> of up to \$24 over the year.

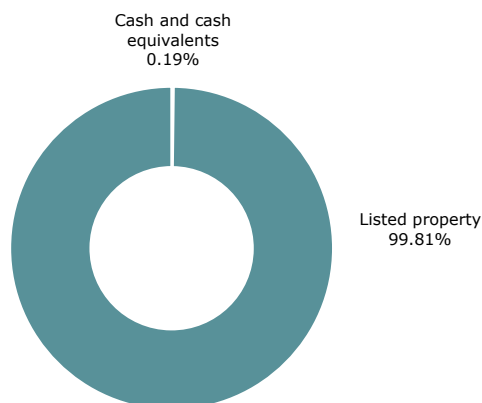

### Example of how this applies to a member

Sarah had \$10,000 in the fund at the start of the year and didn't make any further contributions. At the end of the year, Sarah received a return after fund fees and tax were deducted of \$289 (that's 2.89% of her initial \$10,000). Sarah also paid \$24 in membership fees<sup>3</sup>. This gives Sarah a total return of \$265 for the year.
