

OneAnswer KiwiSaver Scheme

■ Sustainable Growth Fund

What is the purpose of this statement?

This statement provides key information about the OneAnswer KiwiSaver Scheme Sustainable Growth Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Sustainable Growth Fund invests mainly in a diversified portfolio of share assets in companies pursuing a sustainable development policy and combining respect for social principles (such as human rights, non-discrimination and the issue of child labour) and environmental principles with good financial prospects. It may also invest in cash assets. The objective of the Sustainable Growth Fund is to outperform the MSCI World Index (NZ\$).
