

OneAnswer KiwiSaver Scheme

■ Sustainable International Share Fund

What is the purpose of this statement?

This statement provides key information about the OneAnswer KiwiSaver Scheme Sustainable International Share Fund. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Sustainable International Share Fund invests mainly into a diversified portfolio of share assets and/or transferrable securities issued by companies with a sustainable development policy. This policy combines respect for social principles (such as human rights, non-discrimination and the issue of child labour) and environmental principles with good financial prospects. It may also invest in convertible securities and cash assets. The objective of the Sustainable International Share Fund is to outperform the MSCI World Index (New Zealand Dollar).
